

# || WINTER MENU 2019

TO WILDCRAFT MEANS TO FORAGE FOOD AND EDIBLE PLANTS FROM THE WILD. ROOTED IN HERBAL MEDICINE, NUTRITION AND BOTANY, WE HAVE AN EVERLASTING LOVE AFFAIR WITH BRINGING OUT THE FLAVORS OF THE FRONT RANGE AND ROCKY MOUNTAIN TERROIR. WITH OUR OWN HANDS WE SEEK OUT, IDENTIFY AND HARVEST WILD + INDIGENOUS EDIBLES GROWING WITHIN OUR REGION -BRINGING A WHOLE NEW MEANING TO THE LOCAL FOOD MOVEMENT. NOT ONLY DO WE TAKE PRIDE IN THE FLAVORS WE CREATE, BUT WITH EACH DISH WE STRIVE TO TRANSFORM ART INTO AN EDIBLE FORM. SPECIALIZING IN CHARCUTERIE AND SEASONAL GRAZING BOARDS, EACH DISPLAY LENDS A PEEK INTO THE NATURAL ABUNDANCE AND BEAUTY OF COLORADO.
